

Jubayer Ahmed

CHEMICAL ENGINEERING RESEARCHER |CAMPUS LEADER | COORDINATOR

EDUCATION

BSc in Chemical Engineering 2023 - 2027
Rajshahi University of Engineering & Technology (RUET)
- CGPA 3.91 / 4.00 (first five semesters)
- Class rank: 3rd

Higher Secondary Certificate (HSC), Science 2020 - 2022
Notre Dame College, Dhaka
- GPA 5.00 / 5.00

Secondary School Certificate (SSC), Science 2019 - 2020
Santhia Govt. Pilot Model High School | 2020
- GPA 5.00 / 5.00
- Talent Pool Scholarship

PUBLICATIONS & RESEARCH

Co-author, Functionalized Groundnut Shell Biochar for Methyl Violet Dye Removal, Global Challenges (SCIE, Q1), 2026. DOI: https://doi.org/10.1002/gch2.70161

Co-author, review paper published in a Q1-indexed journal *(International Journal of Biological Macromolecules)* DOI link: *https://doi.org/10.1016/j.ijbiomac.2025.147433*

Co-author, review paper published in a Q2-indexed journal. *International Journal of Polymer Science* DOI link: *https://doi.org/10.1155/ijps/3184104*

First Author (manuscript under review): Targeting Separation and Purification Technology

INDUSTRIAL VISIT & PROCESS ANALYSIS

Conducted an industrial site visit to Akiz Food and Beverage Ltd. and prepared a detailed case study analyzing the aseptic mango pulp processing line, applying real-time HMI instrumentation data to develop a comprehensive material and energy balance of the plant.

ABOUT ME

I'm a third-year Chemical Engineering student at RUET (CGPA 3.91, ranked 3rd in class) with published research in Q1 and Q2 journals and a manuscript under review as first author. Beyond academics, I lead as an Executive Member of SPER (RUET), where I helped organize Cheme Fest 1.0 and won Best Organizer. I currently serve as Campus Ambassador for both Unbolt Academy — managing community channels and recruiting Deputy Leaders — and DREAM Network. I've also stepped outside my technical comfort zone through case competitions like ISCEA's Global Supply Chain Challenge and CaseCraft 2.0, tackling real-world supply chain and business problems. I'm applying to this program to formalize the leadership, communication, and digital skills I've been building informally, and turn them into a certified capability I can carry into both research and industry.

PROFILE

Date of Birth: 13 Jan 2004
Nationality: Bangladeshi

SOFT SKILLS

- Team Leadership
- Event Management
- Communication & Mentoring
- Data Analysis
- Literature Review & Academic Writing
- Problem Solving

EXPERIENCE & LEADERSHIP

Campus Lead Nov 2026 – Present
Deli Bangladesh (ACI)

- **Selected through a multi-stage process (case challenge, interview) as an on-campus representative of Deli Bangladesh at RUET for a one-year term.**
- **Lead campus activations and student engagement initiatives for the Deli brand.**

Campus Ambassador Sep 2026 – Present
Unbolt Academy

- **Serve as the on-campus bridge between Unbolt Academy and the RUET student community, promoting programs and events.**

Campus Ambassador July 2026 – Present
DREAM Network

- **Selected as Campus Ambassador, representing DREAM Network within the RUET student community.**

Production Secretary Sep 2026 – Present
Society of Process Engineers, RUET (SPER)

- **Lead the production team, overseeing graphics, media, and promotional content for SPER's events and programmes.**
- **Manage the design and publicity pipeline from concept to release, coordinating with other committees to keep SPER's branding consistent.**

Executive Member Sep 2025 – Sep 2026
Society of Process Engineers, RUET (SPER)

- **Plan and coordinate departmental events, including Cheme Fest and cultural programmes, managing logistics and cross-team collaboration.**
- **Organizer, Career Cruise 2 —An on-campus recruitment drive with multiple participating companies; Bashundhara Group recruited 6 ChE seniors (19th Series).**
- **Served as an Organizing Committee Member for two national-level case competitions, CaseCraft 1.0 and CaseCraft 2.0**

Research Group Member 2024 – Present
Biopolymer & Sustainable Environment Research Lab (in collaboration with BCSIR)

- **Conducting research under the supervision of Md. Mahmudur Rahman, Scientific Officer, BCSIR Rajshahi; co-authored findings published in a peer-reviewed journal.**

AWARDS & SCHOLARSHIPS

- **RUET Merit Grant** — Awarded for merit in the University Admission Test; renewed in 1st and 2nd year for sustained academic performance.
- I was honored with the **Best Organizer award** for my contributions to organizing two major events: **Chemifest 1.0 and Career Cruise 2.**
- Winner, 40th **National Science Olympiad** (Regional Level)
- Bangladesh Education Board **Scholarship** — SSC (Talent Pool)
